Subject: Letter of Support, Put Us on the Map Challenge

Dear Ms. Breslin,

On behalf of the Clatsop County Board of Commissioners, please accept this letter of support for the application from the City of Warrenton, Oregon to participate in the City Health Dashboard's Put Us on the Map Challenge. The City is requesting to be added to the City Health Dashboard in an effort to expand health data access to inform community discussions, planning and decision-making at the local level.

As a rural County, we support the City of Warrenton's request to access data regarding the challenges facing their community, including: access to broadband, poverty levels, access to parks and open spaces, community walkability, racial and ethnic diversity and rent burden, amongst others.

Thank you for considering the City of Warrenton's request.

Sincerely,

A handwritten signature in blue ink that reads "Mark Kujala".

Clatsop County Board of Commissioners
